

We request that you do not allow LPFM stations to take priority over current FM translator service. We support a national radio station named K-LOVE that we hear on 94.9 in Collierville/Memphis, TN. It is totally listener supported Christian music. We feel it serves us as residents by bringing Christian concerts, comedians and other programs to our community. K-LOVE provides clean programming that everyone can feel comfortable listening to. Children as well as adults love the music on K-LOVE. We believe that the service provided by K-LOVE is in the public interest because it is an alternative to other types of programming that is on the air.

Thank you for your help in this matter.

Sincerely,

Spencer and Diana Hart
